Dear 2021 Traditional Spanish Market Artists,

I am Vanessa Martinez, the new administrative assistant at the Spanish Colonial Arts Society. I grew up selling woodcarving in the youth market throughout high school. I have a deep rooted passion for our art and our culture, and a personal interest in seeing every New Mexican Artist thrive!

As we are approaching the 2021 Traditional Spanish Market we realize that people have varying levels of comfort in crowds, regardless what mandates may be in place. The Spanish Colonial Arts Society wants to encourage our artists to take any precautions that they see fit within their booth space. I have compiled a list of items that are affordable, and hopefully this list will help you find what you need. Please don't hesitate to reach out to us with any questions or concerns.

Thank you so much for your continued support and participation in the 2021 Traditional Spanish Market!

Sincerely,

Vanessa Martinez
Administrative Assistant
